100TiTDi

Threshold with Sub-Sill

The 100TiTDi is a Threshold Drain for door track with sub sill tray featuring our 100mm wide Tile Insert.

For sliding and Hinged doors.

Featuring a linear stainless steel grate with concealed channel section connecting sill and sub-sill for door tracks and thresholds.

Allows door sills to be drained while having internal and external floor surfaces with no step down.

Suitable for tiles up to 12mm thick.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
