

ARCHITECTURAL GRATES + DRAINS

100MNDTDiBF Threshold for Bifold Doors

The 100MNDTDiBF is a Threshold Drain for Bi-Fold and Top-Hung doors featuring our 100mm wide Marc Newson design grate and custom channel depth.

Allows door tracks to be drained while having internal and external floor surfaces with no step down.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
