

# 100AAi50MTL

## **Linear Drain**

With a channel manufactured from sustainably sourced 316 marine grade stainless steel for durability, hygiene and luxurious visual appeal. This drainage is made to specified length with specified outlet position, featuring Stormtech's Good Design Award winning Wave Grate made from anodized aluminium.

Please be aware that for a pool installation or installation environment close to a surf beach, you may need to have your stainless steel channel electropolished.

Refer to AS3500 for outlet pipe sizes specific to your installation
